Re: Notice of File Closure for Small Mining Activities, Cassidy #1 and #2, S/027/015, Millard County, Utah

Dear Mr. Lees:

This letter is to notify you that file #S/027015, for the Cassidy #1 and #2 project, located in Section 14, T17S, R13W County, Utah, will be retired from our files.

The BLM recently inspected the project area and found the surface reclamation satisfactory. The BLM subsequently closed out their file for this project. Because this project is located on BLM managed lands, we will accept the BLM's recommendation and also close our file accordingly. A new notice will have to be filed with the appropriate land management agency if you plan to do any future mining in this or any other area of the state.

If you have any questions or concerns regarding this action, please notify us within 15 days from receipt of this letter. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Tom Munson
Senior Reclamation Specialist
